The auspicious occasion was followed by the rendition of **Saraswati Vandana** by Miss Baswati Rajbangshi, a student of the school, invoking divine blessings for the success of the programme.

Welcome Address

The Welcome Address was delivered by the Vice Principal, Mrs. Sarbani Bhowmick. She extended a cordial welcome to the Resource Person and participants and emphasized the growing importance of Artificial Intelligence in transforming modern educational practices.

Felicitation

The Resource Person, Mrs. Pittala Keerthi Sowjanya, was felicitated by Vice Principal Mrs. Sarbani Bhowmick as a token of appreciation and respect for her valuable contribution to the professional development of teachers.

Anchoring of the Programme

The entire programme was efficiently anchored by Sri Jiskel Basumatary, whose articulate presentation and coordination ensured the smooth and systematic conduct of all sessions.

Training Sessions

The Resource Person conducted comprehensive and interactive sessions covering the following topics:

- Introduction to Artificial Intelligence in Education
- Application of AI Tools in Classroom Teaching
- AI-based Assessment and Personalized Learning

- Ethical and Responsible Use of AI
- Demonstration of AI-enabled Digital Platforms

The sessions were highly engaging and provided practical insights into the effective use of AI in education. Teachers actively participated in discussions and activities, making the programme productive and impactful.

Vote of Thanks

The programme concluded with a formal Vote of Thanks delivered by Mrs. Krishna Baidya. She expressed sincere gratitude to the Resource Person, the Vice Principal, senior teachers, the anchor, and all participants for their wholehearted cooperation and enthusiastic participation.

Conclusion

The training programme was highly informative and enriching. It successfully enhanced teachers' awareness and competency in integrating Artificial Intelligence into classroom practices. The initiative reflects the commitment of the Central Board of Secondary Education towards promoting innovation and preparing educators for future-ready education
